John Kerry President of the U.S.

Barbara Boxer U.S. Senator

INDEPENDENT EXPENDITURES FOR ADVERTISING SPACE HAVE BEEN RE-ALLOCATED

Independent expenditures for advertising space were made for 51 candidates for the House of Representatives (\$43.51 each); one Senate candidate, Barbara Boxer (\$2,218.83); and one presidential candidate, John Kerry (\$8,241.70).

No particular expenditures were made on behalf of any particular federal candidate.

These candidates were endorsed by but did not participate in the slate mail published and distributed by this committee.

The Federal Election Commission requires that a portion of the value of these services be allocated to the non-participating candidates. This allocation, reflected on Schedule E and, on the detailed summary page, is based on the assumption that one percent of the value of the entire slate mail program accrued to the non-participating federal candidates.
